**PLAINTIFF'S MOTION FOR LEAVE TO FILE  
MEMORANDUM OF LAW IN EXCESS OF 15 PAGES**

Plaintiff, Federal Trade Commission, hereby respectfully requests, in accordance with Local Rule 7.1 of the Local Rules for the United States District Court for the Northern District of Illinois, that the Court enter an Order permitting it to file its Memorandum In Support of Plaintiff's Motion for Temporary Restraining Order with Appointment of a Temporary Receiver, Asset Restriction, Accounting and Order to Show Cause Why a Preliminary Injunction Should Not Issue as to Defendants ("Memorandum") in excess of fifteen (15) pages.

Plaintiff has made every effort to be concise yet thorough in presenting both the facts and the law necessary to decide its motion. There are many facts and issues raised by the Commission's motion, addressing the validity of at least five different health and disease claims made for Coral Calcium Supreme, and the roles of multiple parties. Further, due to defendants

ongoing violations of the Federal Trade Commission Act, the Commission is seeking a temporary restraining order and preliminary injunctive relief, and this necessarily requires a detailed exposition of the underlying facts and circumstances supporting the request for interim relief as well as information about the FTC Act. As presented, the memorandum is 26 pages long.

Wherefore, plaintiff respectfully requests that this Court issue an order allowing the filing of its Memorandum in excess of fifteen (15) pages. For the Court's convenience, a proposed Order is provided along with this motion.
